Isquo;A retired quarterback in his late 40s, Zane was something out of GQ magazine.rsquo;By Grady HarpAuthor Mia Madison calls herself a purveyor of Forbidden Fantasies Romance. Her subject matter - young women eager for experience, who have scorching encounters with older men who know exactly what they're doing between the sheets.The many books she has written suggest the validity of her preference preacute;cis ndash; Bossy Christmas Party, My Dadr's Boss, Playing with Fire, My Filthy Fireman, Forever My Lady, Marcus Mine, Touch Taste, Latin Spice, Tempting Tonio, and now ZAYUM ZADDY ndash; all under the series Isquo;A Steamy Older Man Younger Woman Romance.rsquo;A bit of the flavor of Miarsquo;s lead character - Isquo;Irsquo;ve been told I reminded men of Jennifer Freeman, the brunette beauty who played a starring role on My Wife and Kids. We were both biracial, black and white. The only difference was that I was much bustier than my celebrity lookalike. My generous bust made my tiny 24-inch waist seem even tinier. Coupled with slim 34-inch hips, I was a friendly brown girl with a pearly white California smile. If you let them tell it, I seemed to be nearly every man's dream.rsquo;Or as Mia summarizes her plot ndash; Isquo;To the world, he's Zane, to her, he's Zaddy, and she's got just the spice he needs in his life. Ginger - Intense eyes, perfect abs, and sexy beard - yes, yes, and yes. Zane is wicked hot. To the world, he's an NFL star who notoriously guards his life, privacy, and heart against the trappings of fame, fortune, and celebrity. He's supposed to be my stepdad's best client. A family friend. Yet every time he walks by, all I can think is "Zayum Zaddy." Zaddy's got tons of fire. He just knows how to control his flame. Beneath his restrained exterior lies a man of unhinged passion. I know, because I've unearthed it myself - and I want more. I'm putting my heart on the line. Even if it's wrong. Even if it's risky. Even if it goes dangerously against everyone we love. Zane - There was a time when I had it all together. I was controlled, focused, and guarded - on and off the field. Then, this gorgeous flame of beauty crossed my path. Ginger's spicy, confident, and focused. Have I mentioned she's irresistibly beautiful? From the first time I saw her, I knew she was the One. She's dangerous. She's my agent's stepdaughter. She's off limits. But I've been tasting her forbidden fruit. It's the most delicious thing I've ever tasted...rsquo;Knockout characters, a credible storyline, and enough steam to satisfy anyonersquo;s appetite for erotica. A fast fun read. Not Her BestBy Elysian FieldsOkay, this book was a little difficult for me to read and only because of the main female character, Ginger. From the very beginning I felt that she was young, spoiled, immature, and frustrating. I was not interested in

her getting her happy ending and wanted to just extract her from the story and replace her with a more adult woman. I loved the main male character Zane. The plot was fantastic (as always in Miarsquo;s books), and the dialogue between the characters was fun to read. The reason that this book only gets three stars from me is Ginger and her inability to be adult, and the references to brand name products and cultural references that made me as a reader feel a little less smart. I could not get over the fact that Zane loved Ginger because she was not interested in his fame or money, yet every time she talked about a personsquo;s clothing or car she would always mentioned the brand name. I could not get behind her and was disappointed. She just came off as immature and young and I could not get that image out of my head. I love Mia Madisonrsquo;s books and have loved each one so far. They have all been four or five stars from me; this one just did not live up to her talent (in my opinion). It is still a great read. Once I ignored Ginger, I loved the book. 1 of 1 people found the following review helpful.
